LOVE TO PLAY

Are you ready to unleash the playful passion within? This Love to Play Pleasure Box for Her invites you on a journey of sensual discovery, bringing your naughty fantasies to life.

Within this Pleasure Box for Her, you'll find a thoughtful selection of beginner-friendly toys for women. Whether you're into clitoral, vaginal, dual, or even anal stimulation, or want to train your pelvic floor muscles, this box includes everything you need to enhance your pleasure.

This little catalogue will guide you through every step, providing you information about the items, an extensive manual, and – of course – tips and tricks.

As much as we loved making it, we hope you'll love it even more.

DUO BALLS

Duo balls are not only great for pelvic workouts, they're also the secret to intensify your orgasms!

Quick tips for beginners: empty your bladder, get comfy, and grab lubricant if needed.

Begin with a five-minute session and slowly extend as it becomes comfortable. You can do it once or twice a day -totally up to you- just don't overdo it. Squeeze those muscles for five seconds, then relax and wait five seconds before squeezing again. Get ready for an intense sensation!

VIBRATING FINGER RABBIT

Slide the finger vibrator over the finger you want to use. This turns your finger into a magical vibrating toy. To make it extra sensual and exciting you can use lubricant.

The finger vibrator is perfect for solo use, but is even more fun together. Discover all your sensitive spots like the clitoris, the vagina, the vulva, the nipples, the penis, the balls, and the anal area. Use the vibrations to playfully massage these erogenous zones.

GEM STONE BUTT PLUG

A butt plug is a sex toy you can use for anal stimulation. Wearing them during sexual activity can create a “tighter” feeling around the vagina, which can increase pleasure for penetration. The subtle feeling of fullness and the stimulation of anal nerve endings can enrich the sexual experience and lead to deeper levels of arousal and climax. With proper communication and caution, women can discover how using a butt plug can improve their sexual experience.

DUO VIBRATOR

Use a little lubricant and apply it to the duo vibrator. Are you new to this? Sit on your knees with your legs slightly apart. This gives you a better view of what you are doing. Once you have more experience with the duo vibrator, you can choose any position.

The duo vibrator stimulates the clitoris and g-spot at the same time. First, find the right places and angles. After this, you can move the duo vibrator back and forth to introduce the G-spot and clitoris to this double stimulation. Discover the different vibration modes and enjoy!

LUBRICANT PREMIUM FORMULA

Lubricant is a valuable addition when using sex toys and during sex. It facilitates the insertion of toys and reduces friction, increasing comfort. During sex it can enhance pleasure, reduce dryness and improve intimacy.

Apply lube liberally to both the body and the object that goes in. Take it slow so you can create an enjoyable and satisfying experience.

MINI VIBRATOR

A mini vibrator is a compact and versatile sex toy that is perfect for adding excitement to foreplay. With its handy size and powerful vibrations, the mini vibrator can stimulate the erogenous zones of the body and cause intense sensations. During foreplay it can be used to caress the skin, stimulate the nipples or pamper the clitoris, which can lead to a build-up of sexual tension and excitement. It's fun to use it solo but also together.

By using the vibrations of the mini vibrator as part of foreplay together, partners can explore each other's bodies and enjoy a slow, sensual build-up to sexual intimacy.

VELVET BAG

It's best to keep your toys in a bag. Store each toy separately to prevent damage. While materials like jelly, rubber, and latex are safe for use on and in your body, they can react with each other. This may result in melting or deformation.

It's also important to never store your toys in a warm place, for example under a device that may emit heat. Bacteria become very enthusiastic about this.

ALL PLEASURE BOXES

After experiencing the excitement and satisfaction of this pleasure box, it's a tempting idea to explore what other boxes have to offer. Each pleasure box can contain a unique composition of sex toys and accessories, aimed at different aspects of pleasure.

By trying out different boxes, you can discover new experiences that may enrich your sexual life. Whether it's a box focused on her, him, kinky play or going anal, each box offers a unique journey. Switching and mixing the different boxes add pleasure to your sex life, keeping it fresh and exciting.
