Sound Level: <45DB

1. Vibrator comes partially charged, but it is recommended to charge it fully before use.
2. Connect the USB plug into the USB port of your computer or other output of V5 charger, and the other end of the DC charger into toy's input.
3. Initial charge takes less than 2 ½ hours, subsequent charges take about 2 ½ hours.
4. Charge lasts for 45 minutes of play time at the highest setting, and 2 hours at lower settings.
5. The red indicator light will flash while device is charging. When fully charged, the blue indicator light will remain solid.
6. Charging voltage is DC 5.0 V
There is no danger of battery damage by overcharging.
7. Toy vibration strength will weaken as battery power depletes.
8. To turn off device, press the On/Off button for 3 seconds.
