

Turn your finger into the ultimate stimulator, which is suitable for couples and solo play. This body safe silicone vibrator extends the length of your finger with 5 cm. Once the finger is at its place, with the tip in the hollow space and the strap around it, it is easy to operate the toy. The finger is resting on the button, making it easy to switch it on and to switch programs. The Love Finger is slightly curved to reach all the special spots. The powerful motor offers 9 different patterns of vibration.

Press and hold the power button to turn the unit on. Press again to switch program.
