

GP DATEX LONG GLOVES

A pair of elbow length fingerless gloves from the Guilty Pleasure Fetish Wear collection. This set of gloves, made of black Datex, are a great addition to lots of other Guilty Pleasure items such as dresses, tops and garter belt stockings. Complete the look with these shiny long gloves, that are easy to put on and take off, thanks to the unique properties of Datex.

Datex is a revolutionary material made of natural rubber latex, printed on an elastic knitted fabric. The result is a very stretchable material with the looks and touch of latex on the outside and the softness and comfort of the stretchy fabric on the inside.

Datex is comfortable to wear, it has that exciting look of latex, but not the disadvantage of being sticky and sweaty. It is easy to put on or take off without any additional dressing aids or conditioners. Datex provides great comfort, softness and flexibility, and at the same time the fetish look and touch that make latex so unique and appreciated.
