

## GP PRINTED DATEX CROP TOP RED

This crop top from the Guilty Pleasure Printed Datex collection is made of black transparent fabric with stripes and patterns of printed red latex on it. The latex print under the breasts gives the impression of cups in the top. Datex is flexible and stretchable and has a unique look. It follows all the body curves smoothly and feels comfortable to the skin. This crop top makes a perfect set with the GP Datex Printed Striped Mini Skirt.

Datex is a revolutionary material made of natural rubber latex, printed on an elastic knitted fabric. The result is a very stretchable material with the looks and touch of latex on the outside and the softness and comfort of the stretchy fabric on the inside.

Datex is comfortable to wear, it has that exciting look of latex, but not the disadvantage of being sticky and sweaty. It is easy to put on or take off without any additional dressing aids or conditioners. Datex provides great comfort, softness and flexibility, and at the same time the fetish look and touch that make latex so unique and appreciated.
