

## GP DATEX THONG

This G-string from the Guilty Pleasure Fetish Wear collection has small elastic straps, firm seams and the unique fetish look of latex. Great to combine with other Datex items of Guilty Pleasure.

Datex is a revolutionary material made of natural rubber latex, printed on an elastic knitted fabric. The result is a very stretchable material with the looks and touch of latex on the outside and the softness and comfort of the stretchy fabric on the inside.

Datex is comfortable to wear, it has that exciting look of latex, but not the disadvantage of being sticky and sweaty. It is easy to put on or take off without any additional dressing aids or conditioners. Datex provides great comfort, softness and flexibility, and at the same time the fetish look and touch that make latex so unique and appreciated.
